Employee Retention Action Plan

- Cap and redistribute excessive overtime hours across teams
- Roll out more meaningful recognition and flexibility initiatives
- Introduce targeted financial wellness benefits for lower-wage bands
- Provide commute relief perks (remote days, transit subsidies, relocation support)
- Strengthen onboarding and first-90-day experience to boost retention

Prioritize workload balancing to prevent burnout

- Expand mental health resources and career development pathways
- Implement living-wage adjustments or bonus structures for entry-level roles
- Offer hybrid/work-from-home options specifically for employees with >1-hour commutes
- Create dedicated mentorship and “quick wins” programs for new hires
